The **Second** Guze Symposium on Alcoholism

In Memory of Samuel B. Guze, MD

Samuel B. Guze, MD, was a pioneer in the field of alcoholism research. He joined the Washington University School of Medicine faculty in 1951, served as vice chancellor and president of the Medical Center from 1971 to 1989, and headed the Department of Psychiatry from 1975 to 1989 and again from 1993 to 1997. Dr. Guze was highly respected as a researcher, an administrator and a leader in the field of psychiatry.

Saturday, March 2, 2002

Eric P. Newman Education Center

Poster Session: all day

Registration and
Continental Breakfast: 8 am – 9 am

Lectures: 9 am – 12:45 pm

Lunch: 12:45 pm – 1:45 pm

Lectures: 1:45 pm – 4:45 pm

Reception: 4:45 pm – 6 pm

About the Symposium

Presenters at the symposium will include local and national experts on research related to college-age drinking who will discuss their research on such topics as:

- short-term and long-term outcomes;
- developmental perspectives;
- epidemiology of American college student alcohol use;
- differences between campuses;
- college students versus non-college peers;
- prevention and interventions.

A poster session displayed throughout the day will feature the latest findings by Missouri Alcoholism Research Center investigators on college-age drinking.

Missouri Alcoholism Research Center Collaborating Institutions

Washington University School of Medicine, St. Louis, Missouri

University of Missouri-Columbia, Columbia, Missouri

Saint Louis University School of Public Health, St. Louis, Missouri

Queensland Institute of Medical Research, Brisbane, Australia

Palo Alto Veterans Administration, Palo Alto, California

Missouri Alcoholism Research Center

The Missouri Alcoholism Research Center (MARC) is one of 15 Alcoholism Research Centers funded by the U.S. National Institutes of Health. MARC is a multisite Alcoholism Research Center, with participating investigators from Missouri's three leading research universities – Washington University (the lead institution), Saint Louis University and the University of Missouri-Columbia. Its research programs include statewide, national and international projects.

Sponsor

This activity is sponsored by Washington University School of Medicine, Continuing Medical Education.

Support

This activity is supported in part by an unrestricted educational grant from Anheuser-Busch Companies, Inc.

Disclosure Policy

It is the policy of Washington University School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational activities. All faculty participating in this activity are expected to disclose to the audience any significant financial interest or other relationship he/she has with the manufacturer(s) of any commercial product(s) discussed in any educational presentation.

Accreditation

AMA—Washington University is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. Washington University designates this educational activity for a minimum of 6.5 hours in category 1 credit toward the AMA Physician's Recognition Award.
