# The Third Guze Symposium on Alcoholism

## In Memory of Samuel B. Guze, MD

Samuel B. Guze, MD, was a pioneer in the field of alcoholism research. He joined the Washington University School of Medicine faculty in 1951, served as vice chancellor and president of the Medical Center from 1971 to 1989, and headed the Department of Psychiatry from 1975 to 1989 and again from 1993 to 1997. Dr. Guze was highly respected as a researcher, an administrator and a leader in the field of psychiatry.

## Eric P. Newman Education Center

Poster Session: all day

Registration and  
Continental Breakfast: 8 am – 9 am

Lectures: 9 am – 12:45 pm

Lunch: 12:45 pm – 1:45 pm

Lectures: 1:45 pm – 4:45 pm

Reception: 4:45 pm – 6 pm

## About the Symposium

Presenters at the symposium will include local and national experts on research related to high school-age drinking who will discuss their research on such topics as:

- models of adolescent alcohol use and abuse;
- assessment and intervention studies in an emergency department;
- adolescents with ADHD;
- behavioral genetics;
- depression and suicidality;
- consequences and prevention.

A poster session displayed throughout the day will feature the latest findings by Missouri Alcoholism Research Center investigators and others on adolescent and high school-age drinking.

## **NEW!** Meeting Award Opportunities

A limited number of meeting awards are available to NIAAA and other pre- and post-doctoral trainees as well as community-based individuals. The awards are intended to help defray costs associated with attendance at the symposium for those who would otherwise not be able to attend. Awardees will also have an opportunity to present a scientific poster if they wish (it is not a requirement). The application and registration brochure can be accessed from our web site at [www.alcoholdependence.org](http://www.alcoholdependence.org) or by e-mailing requests to [Guze2003@matlock.wustl.edu](mailto:Guze2003@matlock.wustl.edu). Award applications must be received by January 10, 2003.

## Missouri Alcoholism Research Center
